

Delock Precision Screwdriver Set 106 pieces

Description

This tool set by Delock includes a bit holder, an extension and a comprehensive assortment of bits.

Practical and functional

In the handy box the set is safe to transport and quickly ready to use. The firm foam material secures the bits so that they sit firmly in the box in any position.

The handle of the bit holder is made of an **aluminium alloy** and a rotating cap for **precise and controlled work**. The bit holder is magnetic, so that the bits sit firmly. Thanks to the **flexible extension** included in the box, even hard-to-reach screws can be reached.

Always the right screwdriver at hand

Whether for repair of a smart phone, the installation of computer accessories or in model making - with this extensive tool set by Delock, the right screwdriver bit is always available.
