ICY BOX **IB-AC705-6G** USB 3.0 enclosure for a 3.5"/2.5" SATA III drive

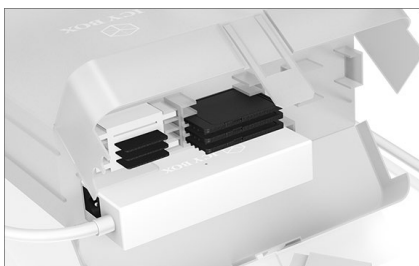

Flexibility

One for all - Supports all 3.5" and 2.5" SATA drives that you have either newly purchased or still waiting in the shelf. Because nothing is worse than leaving drives and their storage unused.

Simple installation

The enclosure offers the possibility to use and exchange drives without frustration. No tools are required. Just open the enclosure insert the drive and you are ready to go.

Storage space - cleverly used

The IB-AC705-6G not only shines with its flexibility and power, but also with the possibility to store up to 8x microSD or SD cards.
